Renal Dialysis Non-Covered Services

Hospital admissions solely for hemodialysis are not covered by South Dakota Medicaid.

DOCUMENTATION REQUIREMENTS

General Requirements

Providers must keep legible medical and financial records that fully justify and disclose the extent of services provided and billed to South Dakota Medicaid. These records must be retained for at least 6 years after the last date a claim was paid or denied. Please refer to the [Documentation and Record Keeping](#) manual for additional requirements.

REIMBURSEMENT AND CLAIM INSTRUCTIONS

Timely Filing

South Dakota Medicaid must receive a provider's completed claim form within 6 months following the month the service was provided. Requests for reconsiderations will only be considered if they are received within the timely filing period or within 3 months of the date a claim was denied. The time limit may be waived or extended by South Dakota Medicaid in certain circumstances. Providers should refer to the [General Claim Guidance](#) manual for additional information.

Third-Party Liability

Medicaid recipients may have one or more additional source of coverage for health services. South Dakota Medicaid is generally the payer of last resort. Providers must pursue the availability of third-party payment sources and should use the Medicare Crossover or Third-Party Liability billing instructions when applicable. Providers should refer to the [General Claim Guidance](#) manual for additional information.

Upper Payment Limits

Under [42 CFR 447.321](#), upper payment limit tests are required to ensure that Medicaid payments made under the state plan do not exceed what would be paid for the services furnished by the group of

facilities under Medicare payment principles. South Dakota Medicaid performs this analysis on a yearly basis. Payments in excess of the upper payment limit are subject to recoupment.

Reimbursement

Inpatient Hospital

Inpatient dialysis services are reimbursed according to the applicable inpatient hospital reimbursement methodology.
