Long Term Acute Care

The Prior Authorization Request Form is to be completed by the prescribing physician for all covered services requiring prior authorization for Medicaid eligible recipients.

This form is to be used by providers as written documentation to support medical necessity and must be completed and maintained in the patient’s medical record prior to submitting a claim to South Dakota Medicaid.

To be medically necessary, the covered service must meet the following conditions:

- It is consistent with the recipient's symptoms, diagnosis, condition, or injury;
- It is recognized as the prevailing standard and is consistent with generally accepted professional medical standards of the provider's peer group;
- It is provided in response to a life-threatening condition; to treat pain, injury, illness, or infection; to treat a condition that could result in physical or mental disability; or to achieve a level of physical or mental function consistent with prevailing community standards for diagnosis or condition;
- It is not furnished primarily for the convenience of the recipient or the provider; and
- There is no other equally effective course of treatment available or suitable for the recipient requesting the service which is more conservative or substantially less costly.
QUICK ANSWERS

1. I billed Medicare a bill type that is not a South Dakota Medicaid accepted bill type. What do I do?
   Change the bill type to the closest South Dakota Medicaid acceptable bill type.

2. Can I submit a void/adjustment for a UB04 Hospice claim?
   Yes, all claim types can be voided or adjusted. Please refer to the UB04 Void and Adjustment manual.
