UB-04 THIRD-PARTY LIABILITY CLAIM INSTRUCTIONS

OVERVIEW

Printed claims and any associated documentation must be submitted as single-sided only.

The following is a locator by locator explanation of how to prepare a UB-04 claim form when the recipient has insurance other than Medicare. Please refer to the UB-04 Medicare Crossover Claim Instructions to complete a UB-04 Claim when Medicare is the primary payer.

Mandatory locators must be completed. Conditionally mandatory locators must be completed if applicable. Please do not write or type above locator 1 of the claim form. Do not put social security numbers on the claim form.

Per ARSD 67:16:35:04 South Dakota Medicaid must receive a provider's completed claim form within 6 months following the month the services were provided. This time limit may be waived or extended if the claim is submitted with the primary insurer's EOB (explanation of benefits) within 6 months after the provider receives payment from Medicare or private health insurance or receives a notice of denial from Medicare or private health insurance.

South Dakota Medicaid will require the Servicing Provider to submit the following documentation when the recipient's third-party liability plan does not cover providers credentialed for South Dakota Medicaid:

- Letter stating credentials of Servicing Provider for claim date of service(s).
- Dated credentialing information from applicable recipient's third-party liability plan handbook or policy manual that states the Servicing Provider is ineligible to enroll. If a policy manual is not available, the Servicing Provider must seek a dated credentialing denial confirming the provider is ineligible to enroll due to licensure.

Documentation must accompany every claim that is submitted.

QUICK ANSWERS

1. **I have a denial for a missing/invalid taxonomy code, what do I do?**

   Confirm your taxonomy code on your SD Medicaid enrollment record and compare it to the populated taxonomy code in 81A.

2. **How do I verify if I have a Type 1 or Type 2 NPI?**

   Visit https://npiregistry.cms.hhs.gov/.

3. **Do I need to enroll all my attending providers?**

   No. SD Medicaid has a streamlined enrollment process for ordering, referring, and attending physicians that may require no action on the part of the provider as submission of claims constitutes agreement to the SD Medicaid Provider Agreement. Provider NPIs in the ordering, referring, and attending physician fields on claims will be run-through SD's streamlined enrollment process without action by the provider. NPIs that are able to be confirmed as eligible provider types and meeting eligibility criteria will be deemed enrolled for purposes of that claim only. If providers receive a denial for ineligible attending, ordering, or referring physician, please refer to the Provider Enrollment and NPI Billing Chart to determine if the provider type is the appropriate type of provider to be listed before contacting the claims service unit for additional assistance.
