HOW TO COMPLETE THE CMS 1500 CLAIM FORM

DHS CHOICES Waiver Providers
Effective December 1, 2016
Rev. 12/19/16

The following is a step-by-step explanation of how to prepare the health insurance claim form, CMS 1500. Failure to properly complete MANDATORY requirements will cause the claim to be denied by South Dakota Medicaid. If submitting paper claims, please refer to http://dss.sd.gov/medicaid/ocr.aspx for claim form requirements.

BLOCK 1A  INSURED’S ID NO. (MANDATORY)
The recipient identification number is the nine-digit number found on the South Dakota Medicaid Identification Card. The three-digit generation number that follows the nine-digit recipient number is not part of the recipient’s ID number and should not be entered on the claim.

BLOCK 2  PATIENT’S NAME (MANDATORY)
Enter the recipient’s last name, first name and middle initial.

BLOCK 21  DIAGNOSIS OR NATURE OF ILLNESS OR INJURY (MANDATORY)
1. Enter 0 for the ICD-10-CM indicator.
2. Enter the codes on each line to identify the patient’s diagnosis and/or condition. Do not include the decimal point in the diagnosis code.

BLOCK 22  RESUBMISSION CODE
1. Enter a 7 for an Adjustment; or an 8 for a Void.
2. List the original reference number found on your remittance advice. This number will always be 14 digits.

Note: You cannot void or adjust one line on the claim. The void or adjustment will apply to the entire claim.

BLOCK 24
Use a separate line for each service provided. If billing on paper and more than six services were provided for a recipient, a separate claim form for the seventh and following services must be completed; continued claims are not accepted. The six service lines in section 24 have been divided horizontally to accommodate submission of both the NPI and taxonomy code.
24A. DATE OF SERVICE FROM – TO *(MANDATORY)*
Enter the appropriate date of service in month, day, and year sequence, using six digits in the unshaded portion.

Bill reserve bed days on the same line as other payable days and do not bill for non-payable days.

Do not include the recipient's date of discharge or date of death in the dates of service.
