Effective Date: 01/01/2020

A provider may request South Dakota Medicaid review a procedure code for a possible rate adjustment. A provider may also request the inclusion or exclusion of a procedure code from the fee schedule. Changes must be requested through the provider portal, which can be accessed at :

<https://dss.sd.gov/medicaid/portal.aspx>

Under the communications tab on the provider portal, select "reviews and requests." Please include relevant documentation with your requests that supports the need for your requested change.

Rates displayed below do not reflect rates for codes billed containing modifiers. For information on how modifiers will affect payment see ARSD § 67:16:02:03.02.

**NOTE: One unit per month is billable for capped rental items. The item is considered purchased after 12 units have been paid by South Dakota Medicaid without a break in rental payments of three or more consecutive months.**
