

**South Dakota Medicaid**  
**Drugs, Biologicals, and Radiopharmaceuticals Fee Schedule**  
Effective July 1, 2024

Providers must bill for services at their usual and customary charge. The fee listed below is the maximum allowable amount a provider may be reimbursed. Providers must append applicable modifiers to procedure codes. A list of authorized modifiers and payment effects is available at: <https://dss.sd.gov/docs/medicaid/modifiers.pdf>.

Providers should refer to South Dakota Medicaid's provider manual webpage for applicable coverage criteria and claim instructions: <https://dss.sd.gov/medicaid/providers/billingmanuals/>. For information regarding requesting a coverage or rate change refer to the Reconsideration, Reviews, Coverage Requests, and Fair Hearing provider manual.

The rate of payment for "Price by Report" is generally 40% of provider's usual and customary charge for physician administered drugs, vaccines, and administration when billed by a physician as established in [ARSD 67:16:02:03](#).
