

South Dakota Medicaid Drugs, Biologicals, and Radiopharmaceuticals Fee Schedule

Effective April 1, 2024

Providers must bill for services at their usual and customary charge. The fee listed below is the maximum allowable amount a provider may be reimbursed. Providers must append applicable modifiers to procedure codes. A list of authorized modifiers and payment effects is available at: <https://dss.sd.gov/docs/medicaid/modifiers.pdf>.

Providers should refer to South Dakota Medicaid's provider manual webpage for applicable coverage criteria and claim instructions: <https://dss.sd.gov/medicaid/providers/billingmanuals/>. For information regarding requesting a coverage or rate change refer to the Reconsideration, Reviews, Coverage Requests, and Fair Hearing provider manual.

The rate of payment for "Price by Report" is generally 40% of provider's usual and customary charge for physician administered drugs, vaccines, and administration when billed by a physician as established in [ARSD 67:16:02:03](#).
