

# MEDICAID BENEFIT BASICS

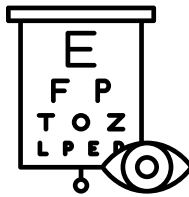

## MEDICAL COVERAGE

Medicaid benefits include coverage for primary and specialty care, preventative services, behavioral health services, and hospital and emergency services.

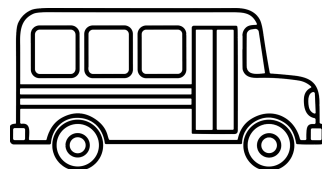

## DENTAL COVERAGE

Covered dental services include preventative checkups and treatment services to address oral health problems.

## VISION COVERAGE

Vision benefits include eye exams, glasses (lenses and frames), and contact lenses when necessary.

## TRANSPORTATION

A variety of transportation options that help you get to your medical appointments are also covered.

## LONG TERM CARE & IN-HOME SUPPORTS

Nursing facility services and in-home supports are benefits for qualifying individuals. If supports are needed, contact Dakota at Home at 833-663-9673.

Some services must be provided by your Care Management provider or referred by them. Care Management programs include the Primary Care Provider program, Care Connect, and BabyReady.
