Q1: What modality are the trainings to be delivered in? Does the Vendor have the option to offer in-person and virtual training, or do all sessions need to occur in person?

A1: Each activity contact can be conducted in person, virtual meetings, or by phone.

Q2: Are expense reports to be submitted for service as well as administrative costs?

A2: Yes, reimbursable items must include an expense report, and must be submitted for services and administrative costs.

Q3: How frequently are the trainings to occur?

A3: The annual staff training is held at the start of the program year. Additional staff trainings occur based on program updates and technical assistance needs.
