

Fiscal Year 2017 Budget

FY17 Budget

- 2.7% Provider Inflation
 - Certain providers (Ex. LTC, Nutrition, In-Home, Behavioral Health, PRTF) will receive an additional 0.72% increase.
- 3 Year Plan for Targeted Rate Adjustments for Certain Providers
 - Ambulance, In-Home, Assisted Living, Outpatient Psychiatric Services

BRCA Testing & Preventative Treatment

BRCA gene analysis is standard of practice for preventative testing and treatment for women with a high risk of BRCA mutation.

- BRCA Test will require Prior Authorization
 - Prior Authorization will evaluate family and personal history of breast and ovarian cancer.
- Women with a positive test will be eligible for preventive treatment such as enhanced screening, prophylactic mastectomy or hysterectomy

Applied Behavior Analysis (ABA) Therapy

ABA Therapy is used to treat individuals with Autism Spectrum Disorder

- SD Medicaid currently covers this service for children under 21 when provided by a Physician, Psychiatrist, or Psychologist
 - ABA Therapy required Prior Authorization
- Legislature passed licensing bill for Behavior Analysts who provide ABA services.
 - Behavior Analyst Licensing Board under Board of Social Work Examiners
- SD Medicaid will enroll licensed Behavior Analysts to provide ABA services

JJRI

- DSS, in coordination with DOC and UJS, identified community-based treatment to be made available to juveniles with justice-system involvement based on the needs of the youth
- Treatment identified will be quality assured and shown through research or documented evidence to reduce recidivism and other juvenile risk factors
- Established a referral process and incorporate a risk and needs assessment tool with supplemental mental health and substance abuse screening tools.
- Functional Family Therapy (FFT) services will be provided throughout the state of South Dakota.
- Initial FFT training began in January 2016
 - Individual provider training will occur throughout the month of January with services beginning immediately after the trainings conclude.
