

# Supported Housing for Addiction Recovery and Empowerment SHARE

## What is supported housing?

Supported Housing for Addiction Recovery and Empowerment (SHARE) is specifically designed to address the recovering person's need for a safe and healthy living environment as well as provide other needed services to support the journey of recovery. Supported housing is where individuals in recovery come together in a drug free and structured environment outside of a formal treatment setting. Individuals are supported in managing their overall care while learning responsible behavior, values, and positive habits to assure continued sobriety.

## Who is eligible?
