# Mental Health Services

Community mental health centers in South Dakota provide quality services to both adults and youth. Services provided may include screenings and assessments, case management, individual therapy, group therapy, crisis intervention, psychiatric evaluation, and medication management. Financial assistance for services is available.

## Outpatient Services

Outpatient mental health counseling services are provided to individuals of all ages.

## Children, Youth and Family (CYF) Services

CYF services are specialized outpatient services provided to youth with serious emotional disturbance (SED). Family counseling may include Functional Family Therapy, which is a strength-based model for building skills to help improve family relationships, reduce behavioral issues and improve school performance.

## Comprehensive Assistance with Recovery and Empowerment (CARE) Services

CARE services are specialized outpatient services provided to adults with serious mental illness (SMI).

## Individualized and Mobile Program of Assertive Community Treatment (IMPACT)

IMPACT services provide intensive outpatient counseling, case management services and psychiatric medication management for adults living with SMI.
