

HELPER REFERENCE FORM

Your name has been provided as a reference for _____ who will be working at _____ registered family child care home.

Please answer the following questions to help assess this individual's ability to relate to others and to care for children. Return your completed form to:

Name	Address	City/State	Zip Code
------	---------	------------	----------

1. How long have you known this individual? In what way? Explain.

2. Are you aware of this individual having past experience caring for or working with children? Explain.

3. How well will this individual work in a child care setting?

3. What do you think are the positive qualities that parents and children would like about this individual? Why would you choose this individual to care for children?

5. Are you aware of any incidents of child abuse or neglect in connection with this individual?

6. Do you know if this individual has been convicted of *any* crimes? If yes, explain.

7. Is there anything about this individual that would hinder his or her performance at work?
