CHILD CARE RATE DECLARATION FORM

To comply with Federal and State requirements, the following form is required annually, or whenever you experience a change in your rates. The Division of Child Care must ensure that Federal subsidy funds do not pay more for services than is charged to the general public for the same service. In addition, the unit price billed for the child care services provided must be the provider’s usual and customary charge for the same services provided on the same date to the general public per ARSD 67:47:01:15. This means that you must utilize the same rate schedule and policies for subsidy and private pay families including discounts, ‘fee free allowance days’, and method of charging.
