EBT Questions and Answers

What is EBT and how does it work?

Electronic Benefits Transfer, or EBT, is the way you receive and use your Supplemental Nutrition Assistance Program (SNAP) benefits in South Dakota. The benefits are deposited into your EBT account. Your benefits are available by using your South Dakota EBT card and your Personal Identification Number (PIN). You can use your South Dakota EBT card anywhere in South Dakota and throughout the United States.

What is a PIN?

A PIN is the four-digit secret code you select when you receive your South Dakota EBT card. The PIN acts as your signature or authorization. Your card is not active and you cannot shop until you choose a PIN. You can choose a PIN by using the ebtEDGE Mobile App, Cardholder Portal at www.ebtedge.com or by calling Cardholder Customer Service at 800.604.5099.

Choose four digits that are easy for you to remember, but hard for someone else to figure out. You SHOULD NOT use your date of birth or your Social Security number as your PIN. Do NOT use common numbers such as “1234” or “6789”. Write down your PIN at home and keep it in a safe place. DO NOT write your PIN on your South Dakota EBT card. Do not keep your PIN in your wallet, purse or with your EBT card.

How do I access my account information?

You can use the ebtEDGE Mobile App and/or Cardholder Portal to access your account information. Both allow you to:

- Report cards lost, stolen or damaged

- Check account balance in ‘real-time’
- View deposit history/transaction history

We may require an investigation of your usage of the card and/or food purchases if you request multiple replacement cards.

When do I receive my SNAP benefits?

If you are a new applicant, you will receive a notice from your Department of Social Services (DSS) Benefits Specialist telling you when the SNAP benefits will be available in your EBT account.

If you are in the grocery store and enter the wrong PIN, you have two more chances that day to enter the correct PIN. If the correct PIN is not entered on the third try, your card will be locked and cannot be used until the next day. If you cannot remember your PIN or think someone else knows it, you can choose a new PIN using the ebtEDGE Mobile App, Cardholder Portal at www.ebtedge.com or by calling Cardholder Customer Service at 800.604.5099.

1. Your last receipt shows your remaining account balance.
2. Check your balance using the ebtEDGE Mobile App.
3. Check your balance using the Cardholder Portal at www.ebtedge.com.
4. Call Cardholder Customer Service at 800.604.5099.

What if the EBT machine is not working?

If the terminal is not working, the cashier may fill out a paper voucher for the amount purchased with your SNAP benefits.

Present your card to the cashier. Check the amount on the paper voucher to make sure it is for the correct amount of food you bought. If it is correct, sign your name and date the paper voucher. **DO NOT** give the cashier your PIN. The cashier will call Cardholder Customer Service to make sure you have enough benefits to buy the food. If you do, the amount will be subtracted from your SNAP benefits account balance. Make sure you get a copy of the paper voucher from the cashier before you leave the store. Paper vouchers may also be used by authorized route vendors and food merchants (like farmer's markets) that do not have an EBT machine.

When the telephone lines are not available and the cashier cannot get an OK for your purchase, the purchase will be limited to \$40.00.

If this happens, the South Dakota EBT State Office will send you a notice informing you of the details of the adjustment the next working day. You have 15 calendar days from the date on the notice to request a fair hearing if you disagree with the adjustment.

If no fair hearing request is received within 15 calendar days, an adjustment will be processed to debit your EBT account and credit the retailer's account. If the full adjustment amount is not available in your EBT account on the date the debit adjustment is attempted, the full adjustment will be attempted on a daily basis until the adjustment is completed or until the end of the following calendar month.

If you request a fair hearing within the 15 calendar days allowed, no action will be taken until after the fair hearing decision has been made. If the fair hearing decision is not in your favor, an adjustment will be processed against your EBT account.

Fair Hearings

If you disagree with a decision we have made concerning your EBT account, you have the right to request a fair hearing. A fair hearing must be requested within 90 days of the action taken with which you disagree. To request a fair hearing, contact South Dakota EBT at 605.773.6527 or mail a request to the Office of Administrative Hearings at 700 Governors Drive, Pierre, SD 57501 or fax it to 605.773.6873.

Fraud

It is against the law to sell or trade your benefits or South Dakota EBT card or the food you purchased with your South Dakota EBT card. If you sell or trade your benefits and/or food, you will be investigated, and if found guilty, will be disqualified from SNAP and required to pay back any misused food benefits. You may also be referred for criminal prosecution which could also result in a fine and/or prison time.
