Common Sense Parenting Program

✓ Do you have to continue to ask your child to do something, whether it be to pick up their clothes or make their bed?
✓ Do you want to learn specific skills and strategies to help you feel more confident and effective in parenting your children?
✓ Do you want to learn how to better praise your child?
✓ Do you want to use specific skills to help you experience more of the joys of raising children?

If you answered “yes” to any of the above questions, Common Sense Parenting can help you. Common Sense Parenting is a product of years of research compiled by Boys Town.

This program is a proven, step-by-step guide for raising responsible children and provides skills to help parents build strong, healthy families. The South Dakota Department of Social Services’ Division of Child Protection Services offers Common Sense Parenting to help parents make their homes more peaceful, enjoyable and safer for the whole family.
