TANF

Temporary Assistance
for Needy Families

What is TANF?

Temporary Assistance for Needy Families (TANF) is a program for families with children under the age of 18 (or under 19 if the child is in high school) who have little or no income and are deprived of a parent. Deprivation could include having a parent who is:

- ✓ Deceased
- ✓ Absent from the home
- ✓ Physically or mentally incapacitated
- ✓ Unemployed

Families with serious financial needs may qualify for TANF monthly cash payments.

The TANF payment is based on who lives with the family, who is eligible in the household, and other income and resources available to the family.
