Dear South Dakota Medical Assistance Provider:

“Important Message - Please Read”

South Dakota Medical Assistance (SDMA) is making every effort to increase the number of electronic Medicare crossover claims we process. To accomplish this, SDMA is requesting providers submit a list of all current Professional Services Medicare Provider numbers or Medicare Supplier Provider ID numbers for each matching individual South Dakota Medicaid Provider number it is associated with.

If you have multiple Medicaid provider numbers and only one Medicare billing number, you will need to decide which Medicaid provider number will be the designated number to receive payment for all your Medicare claims.

Please submit this information by fax to 605-773-5246, by e-mail to Medical@state.sd.us or by mail to Department of Social Services, Division of Medical Services, 700 Governors Drive, Pierre, South Dakota 57501-2291.

Thank you,
Division of Medical Services
