For August, 2007

Zip-Plus-4 Zip Code

Dear South Dakota Medical Assistance Provider: "Important Message - Please Read"

With implementation of the National Provider Identification (NPI) number, the South Dakota Medical Assistance (SDMA) program (Medicaid) will now require Servicing and Billing provider address information on electronic and paper CMS 1500 claim forms to include Zip-plus-4 zip codes for claims processing.

Effective January 2, 2008, all CMS 1500 claim forms submitted to SDMA, both electronic and paper, must include the Zip-plus-4 zip code in Box 32 and Box 33. Please begin using the Zip-plus-4 zip code as soon as possible.

If you have questions, please call the Telephone Service Unit at 1-800-452-7691. Out of state providers may call 605-773-3495 and ask for the service unit.

Thank you,
Division of Medical Services
