## Affordable Care Act Excluded Providers

Dear South Dakota Medical Assistance Provider: "Important Message - Please Read"

Pursuant to Section 6401 of the Affordable Care Act, it is incumbent upon all active Medicaid providers to ensure that anyone with 5% ownership or more and all health care employees have been verified against the Office of Inspector General exclusionary website and determined not to be an excluded provider: <http://exclusions.oig.hhs.gov/>. Payments involving federal funds can not be made to any provider with an excluded owner or for services in which an excluded employee was involved.

Thank you for your cooperation.

If you have questions, please contact our telephone service unit at 1-800-452-7691 or 605-945-5006.

Thank you,  
Division of Medical Services
